The original design is patented by YUIL

Gripper Assembly for LMW R/F

- Part Code : YMS-LG100
- Gauge : 70mm / 75mm • Application Inch : 6" / 7" / 8" / 9"
- YUIL MS has developed new type as "Double Type" i.e. 1 Gripper covers 2 spindles.
- Detachable YUIL MS Cap is separable from the body without any break in normal condition and the Cap is reusable.
- Required time to Re-position the separated Cap is less than 3 seconds by anyone.
- Designed to minimize the problem of gauge accuracy
